

Schedule of Events – 3D South Summer Camp 2010

August 4th 2010 - 3D South Camp Day 1 – Students Only

9:00 am – 9:30 am – *Student Session Only – 3D South Kick off presentation.*

9:30 am – 12:00pm- *Student Session Only- REVIT 3D Training*

Students will attend Hands-on Training Session Using Revit Architecture 3D Software. Sal Longo, a licensed Architect, will be teaching this session.

12:00 pm – 1:00pm – Lunch

1:00pm – 2:00 pm – Student Session – Architecture Presentation by Jes Sanders
Jes Sanders of Bani Carville Brown, will be sharing how they use the different types of CAD and 3D technology for their business.

2:00 pm – 4:00 pm – Student Session – The World of 3D

Overview of different 3D Technologies and applications. Vaughn Klos will begin introduction into Inventor 3D Software.

August 5th 2010 - 3D South Camp Day 2 & Educators Day

9:00 am - 10:30am - *Student Session Only - INVENTOR 3D Training*

Students will attend Hands-on Training Session Using Inventor Software.

Vaughn Klos of Vector Graphics Inc

10:30 am – 12:00 pm - *Student and Educator Event – Autodesk Presentation*

Autodesk Educational Representative, Marie Basch Brown will be discussing the different Autodesk Educational Programs for Post-Secondary & Secondary Schools.

12:00 pm-1:00pm - *Student and Educator Event – Lunch*

Lunch - Meet and Greet Students and Staff – 3D South.

1:00 pm– 2:30 pm - Student and Educator Event – Team Combustion 1912

Team Combustion 1912 a High School Robotics Team from Slidell, LA will be presenting and demoing their Robot that is used in National competitions.

2:30pm- 4:00 pm - Student and Educator Event – Noble Plastics Presentation

Noble Plastics - Scott Rogers Owner- Will be discussing how 3D Software has positively affected his business. Noble Plastics uses Inventor & Moldflow.

August 6th 2010 - 3D South Day 3 - Animation Day

9:00 am – 12:00pm- LITE Presentation and Animation Training

Students will get to take a full tour of the LITE Center and receive hands-on 3D Animation Training using 3DS Max.

12:00pm- 1:00pm - Lunch

1:00pm – 2:00pm- Industry Speaker – KRB Presentation

Ken Boudreaux with KRB will discuss how the use Inventor and Animation technology in their business

2:00pm – 4:00pm- Animation Training – Vector Graphics Inc.

More Animation Training by Vector Graphics Inc.

3D South 2010 Summer Camp a FREE Technology Camp on August 4th, 5th, 6th 2010 at the LITE Center, in Lafayette, LA.

This Free Camp is for High School Students from around the state of Louisiana. The students will receive training on how to use the latest 3D Design Software. 25 Students will be accepted into this Camp, and will receive training, free of charge, and will get to participate in hands on instruction with industry experts, in Manufacturing, Architecture and Animations. Vector Graphics, LITE, Autodesk, the makers of AutoCAD, and other local companies will be participating in this event.

What is 3D South 2010 – Summer Camp?

- Objective: Establish partnerships with secondary and post-secondary educational institutions, Students and local companies, to provide the tools and training necessary to educate the next generation of Architects, Engineers and Digital Animation Artists.
- 3D South introduces Students and Teachers to the Latest CAD Technologies, through Hands on use of the latest CAD & Design Software.
- Provide the Students with Hands on experience using the following Autodesk Software:
 - AutoCAD 2011 - General
 - Inventor Suite 2011 – Manufacturing
 - Revit 2011- Architecture
 - 3D s MAX 2011
- Industry Testimonials by local Engineers, Architects and Animation Artists.

Venue:

- Louisiana Immersive Technologies Enterprise (LITE) is a \$27 million, 70,000-square-foot facility located at the Research Park of the University of Louisiana Lafayette. Redefining how organizations see, think about and use information and data, LITE's technological infrastructure encourages and enables the development of innovative solutions. LITE expands the frontiers of today's public and private leading-edge organizations by transforming the process of innovation and accelerating the time to discovery.

Partners who will be participating in this Event:

- Vector Graphics
- Autodesk
- LITE – (Louisiana Immersive Technologies Enterprise)
- Local Business Partners in Oil & Gas, Architecture and Animations.

Contact – Vector Graphics Inc.

- Vector Graphics Inc will be hosting 3D South 2010.
 - VGI will provide instructors to lecture, provide trainers and laptops for hands on workshop using AutoCAD, Inventor, 3Ds Max & Revit.
 - About Vector Graphics Inc:
 - VGI Established in 1992. Lafayette, LA.
 - Provide CAD Software, CAD Training, Technical Support, Drafting Services & Animations Services for the Gulf Coast.
 - An Authorized Autodesk Reseller Since 1995 – Software Sales, Training and Software Consulting & Implementation Services.
 - 3D Animations and Rendering Services to Oil & Gas companies, medical & dental customers, legal (accident reconstruction), etc.
